

Moo Mask

Provide children with an opportunity to learn about dairy cows.

You will need:

What's For Lunch? Milk by Claire Llewellyn
3 large paper plates
Crayons, colored pencils and/or markers
Any color construction paper
Stapler
String

How to:

1. Read *What's for Lunch? Milk* to a group of children.
2. The first plate will be the cow's mouth/body. Draw a mouth and spots on the plate.
3. Cut a large circle out of the second plate.
4. Color spots and cut out two eye holes on the second plate.
5. Use the third plate for the ears by cutting the plate first in half; then in quarters; and finally in eighths.
6. Using two pieces from the third plate, color and staple to the top of the second plate.
7. Create an ear tag from a piece of construction paper and use the child's birth date for the numbers. For example, 742 means July 24th.
8. Finally, staple a string to the sides of the mask so the child can wear his or her mask.
