

Agriculture in the Classroom's 2017 Agriculture Literacy Week

Celebrate
Virginia agriculture
March 6-10, 2017
by reading
Sleep Tight Farm.

Connect children to agriculture by taking them on a journey to discover what happens on the farm throughout the seasons as they learn how farmers work to provide safe and healthy food all year long.

Books are best suited for a PK-3 classroom and are available for purchase from Agriculture in the Classroom for \$10, a substantial savings over the list price of \$16.99! Order form is enclosed as well as available at **AgInTheClass.org**.

Also available on AgInTheClass.org and included in your book package are complementary curriculum resources.
